I know all there is to know about the crying game  
I've had my share of the crying game  
First there are kisses, then there are sighs  
And then, before you know where you are  
You're sayin' goodbye  
One day soon I'm gonna tell the moon  
About the crying game  
And if he knows, maybe he'll explain  
Why there are heartaches, why there are tears  
And what to do to stop feeling blue  
When love disappears  
I can't take the situation  
It's making me feel so blue  
One moment you walked into my life  
And now you're sayin' that we're through  
I hear that you're in love now  
Baby, don't know what to say  
I can't believe that I still feel this way  
I hear that you're in love now  
Baby, don't know what to say  
Let the falling decide  
You won't be mine  
Put yourself in my place  
You know something will come around  
You're better put yourself (put yourself)  
In my place  
When your lovers bring you down  
And there's no-one else around  
You're gonna put yourself (put yourself)  
In my place  
Don't you know that the circle will come around  
But what is love  
Without the finer feelings  
It's just sex  
Without the sexual healing  
Passion dies  
Without some tender meanings  
It ain't love  
Without the finer feelings  
Without the finer feelings  
It's just sex

Without the sexual healing  
Passion dies  
Without some tender meanings  
It aint love  
Without the finer feelings  
But the feeling still remains  
And the embers feed the flame  
How I hope you feel the same  
So our love may grow again  
Dont want no more of the crying game  
Dont want no more of the crying game  
Dont want no more of the crying game  
Dont want no more of the crying game  
Dont want no more of the crying game  
Dont want no more of the crying game  
Dont want no more of the crying game  
Dont want no more of the crying game
