Starlight shimmers everywhere  
There's a certain something in the air  
Can you feel what I feel in me?  
It's in the air, electricity, oh

Glimmering under neon lights  
I can see the look that's in your eyes  
It's like a shooting star in a galaxy  
Making it's way to the heart of me

I'm the one  
Love me, love me, love me, love me  
I'm the one  
Love me, love me, love me, love me

I'm the one  
Love me, love me, love me, love me  
I'm the one  
Love me, love me, love me, love me

My pulse is racing and I'm feeling high  
Never ending starts tonight  
When you do what you do to me  
Come on and let yourself feel the need in me, oh

Circling and we're getting close  
Can you imagine? Just suppose  
It's a feeling that I need to know  
Close to touch like Michelangelo

I'm the one  
Love me, love me, love me, love me  
I'm the one  
Love me, love me, love me, love me

I'm the one  
Love me, love me, love me, love me  
I'm the one  
Love me, love me, love me, love me

Can you hear me? I'm connecting with you  
Can you feel me? I'll do anything

To have you near me, I was wondering  
Will you reach me?

Can you hear me? I'm connecting with you  
Can you feel me? I'll do anything  
To have you near me, I was wondering  
Will you reach me?

(I'm the one)  
Can you hear me? I'm connecting with you  
Can you feel me? I'll do anything  
To have you near me, I was wondering  
Will you reach me?

(I'm the one)  
Can you hear me? I'm connecting with you  
Can you feel me? I'll do anything  
To have you near me, I was wondering  
Will you reach me?
