Floating on a cloud  
Feeling high  
It happens every time  
Whenever I'm with my guy

Tripping on love  
And it feels so good  
I can't help myself  
And I wouldn't if I could

'Cause he's got that certain touch  
That I'm addicted to  
Love's really got a hold on me  
And there's nothing that I can do

Oh I'm, I'm under the influence of love  
And I know there ain't no doubt about it  
Oh I'm, I'm under the influence of love  
And I know I just can't live without it

Moving over close  
Can't get enough  
I've just got to have  
All of my baby's love

And when I'm alone  
Feeling sad and blue  
He gives me a shot of love  
And I'm as good as new

Helpless as I am  
As if I don't care  
His tenderness is what I miss  
Whenever he's not here

Oh I'm, I'm under the influence of love  
And I know there ain't no doubt about it  
Oh I'm, I'm under the influence of love  
And I know I just can't live without it

There just ain't no one else  
Who can bring out the love in me

So many guys have tried  
They've tried to capture my eye  
But he's the only one I see

Oh I'm, I'm under the influence of love  
And I know there ain't no doubt about it  
Oh I'm, I'm under the influence of love  
And I know I just can't live without it

Oh I'm, I'm under the influence of love  
And I know there ain't no doubt about it  
Oh I'm, I'm under the influence of love  
And I know I just can't live without it

Oh I'm, I'm under the influence of love  
And I know there ain't no doubt about it
