[CHORUS:]

Where has the love gone  
(Where's the love, where's the love?)  
Where has the love gone  
(Where's the love, where's the love?)  
Where has the love gone  
(Where's the love, where's the love?)  
Where has the love gone  
(Where's the love, where's the love?)

[1a:]

It's not easy taking all responsibilities  
Think it's time that we should know  
What we really need  
If the love has gone then you don't want to stay  
Then hey baby we can go our separate ways

Ohhh la la la la la  
Ohhh la la la la la

[1b:]

I thought that love we had was  
Oh so hard to break  
But now I know that it was all give and no take  
One sided love affair is  
Oh no good to me  
I'm a woman and I've got my vanity

[CHORUS:]

[2:]

You might assume like everything was going fine  
When there was really something  
Deep inside your mind  
Let's set it down then maybe we can work it out  
There's no need to raise our voices  
Scream, or shout

Ohhh la la la la la  
Ohhh la la la la la

[CHORUS:]

Ohhh la la la la la  
Ohhh la la la la la

[BRIDGE:]

I've come to terms about the way you really feel  
I know the love we have is no longer real

[CHORUS:]

[x6:]

A love so strong (a love so strong)  
Where did it go wrong (where did it go wrong)

Where has the love gone, a love so strong  
Where did it go  
Where did the love go?  
Ooh, oh oh oh oh  
Where did the love go  
Where did the love go
