"After Goodbye"

I thought I heard you whisper
Between the broken light
I turned to see, to see you fade away
Sometimes I sit and wonder
Just how you could be gone
And tell me why forever couldn't stay

Remember never walk away, never walk away we used
to say
I thought we were here to stay, guess we had to go our
separate ways
After goodbye
I remember you
You'll always be a part of me
I'll hold on to
And after goodbye
No matter what I do
I'll never be that far away
I'll be there for you
Even after goodbye

I'll still feel every teardrop
I keep them here inside
But I always thought, I thought that we can't fight

Remember never walk away, never walk away we used
to say
I thought that we were here to stay, guess we had to go
our separate ways
After goodbye
I remember you
You'll always be a part of me
I'll hold on to
And after goodbye
No matter what I do
I'll never be that far away
I'll be there for you
Even after goodbye
I'll always remember
With every step I take
The dreams that we shared
I'll never let them go

I'll hold them forever more
I swear

After goodbye (goodbye)
I remember you (I remember you)
You'll always be a part of me (a part of me)
I'll hold on to (be a part of me too)
And after goodbye (goodbye)
No matter what I do (do)
I'll never be that far away
I'll be there for you
Even after goodbye
