We have a breakdown
In communication
Nothing to say now
Just the hesitation.

I hear you calling my name,
Over and over again.
And I keep wondering (yeah)

If your feeling the way I'm feeling
Can we make it right
Coz time aint waiting for you baby
So come on over tonight

It should be easy
When I'm trying to love you
You say you need me
Are you sure you want to
Oh baby

I hear you calling my name
Over and over again
And I keep wondering (yeah)

If your feeling the way I'm feeling
Can we make it right
Coz time aint waiting for you baby
So come on over tonight

If your feeling the way I'm feeling
Can we make it right
(Can we make it right)
Coz time aint waiting for you baby
So come on over tonight

(yeah, yeah, yeah)
Ohhh
(yeah, yeah, yeah)
Oh ohh ohhhhh
(yeah, yeah, yeah)
Baby come on over

I hear you calling my name,
Over and over again.
And I keep wondering

If your feeling the way I'm feeling
Can we make it right
(Can we make it right)
Coz time aint waiting for you baby
So come on over tonight

If your feeling the way im feelin
Can we make it right
(Can we make it right)
Coz time aint waiting for you baby
So come on over tonight

(Ohhhhhhhhhh come on over)
Come on over
(Ohhhhhhhhhh come on over)
Come on over baby
(Ohhhhhhhhhh come on over)
Come on over
(Ohhhhhhhhhh come on over)
Ohhhhh come on over
