I don't wanna have a broken heart,  
I don't wanna soul that's torn apart  
I don't wanna have to live with all the pain u give me,  
I don't wanna cry 4 u no more,  
I don't wanna lie here on the floor,  
I just wanna find my way back to the girl I used to be  
everything was going well,  
life was good and love as well,  
thought id had my share of kiss and tell  
well well  
u were all that I adored,  
I cud not have asked for more  
never would have let u go for sure  
now I don't understand this game we're playin  
don't u understand what I am sayin  
I don't wanna have a broken heart,  
I don't wanna soul thats torn apart  
I don't wanna have to live with all the pain u give me,  
I don't wanna cry 4 u no more,  
I don't wanna lie here on the floor,  
I just wanna find my way back to the girl I used to be  
this is how these stories go,  
played the fool b4 u know,  
you're just another actor in the show,  
oh no,  
guess theres nothing left to do,  
guess its all left up to you  
guess you're on the hunt for something new  
now I don't understand this game we're playin  
don't u understand what I am sayin  
I don't wanna have a broken heart,  
I don't wanna soul that's torn apart  
I don't wanna have to live with all the pain u give me,  
I don't wanna cry 4 u no more,  
I don't wanna lie here on the floor,  
I just wanna find my way back to the girl I used to be  
now I don't understand this game we're playin  
don't u understand what I am sayin  
I don't wanna have a broken heart,  
I don't wanna soul thats torn apart  
I don't wanna have to live with all the pain u give me,  
I don't wanna cry 4 u no more,

I don't wanna lie here on the floor,  
I just wanna find my way back to the girl I used to be  
I don't wanna have a broken heart, I don't wanna soul  
that's torn apart  
I don't wanna have to live with all the pain u give me  
(givin me)  
I don't wanna cry 4 u no more,  
I don't wanna lie here on the floor (on the floor)  
I just wanna find my way back to the girl I used to be  
the girl I used to beeeeeeeeeeeeeee
