I see you hurting baby  
What can I do to ease your mind  
There's nothin left here baby  
Nothin left for us to find

But I hope that someday  
You will find that someone  
You can stay with until the end

And u always be with me in my imagination  
I last look b4 you roll out from the station  
Say you'll always be my friend  
At least let us pretend  
That this is not the end  
Its alright  
We'll live forever here tonight

The train is leaving baby  
And I'm gonna miss u so  
No point in grieving baby  
Its time to let go

And I know that someday  
You will find that someone  
Who can stay with until the end

And u always be with me in my imagination  
I last look b4 you ..roll out from the station  
Say you'll always be my friend  
At least let us pretend  
That this is not the end  
Its alright  
We'll live forever here tonight

And maybe you'll see me again  
In this life  
Sum far away country  
Sum beautiful night  
Just look for me there  
That's where I'm gonna be  
Where I'll be

And u always be with me in my imagination  
1 last look b4 you ..roll out from the station  
Say you'll always be my friend  
At least let us pretend  
That this is not the end  
Its alright  
We'll live forever here tonight
