If this is where it's at
Why do I feel colder
Every hour of every day
I just want you closer
If I didn't feel a thing
I guess it would be easy
To turn and walk away
And never see you leave me.

There's nothing wrong but some things,
Happening I'm falling
You give me one sunshine,
I say I like the moon
You give me a rainbow,
When I'm feeling black and blue
And I have cold shoulders,
But I'm still on for your touch
Does that make me sentimental too?

This isn't really me
I try to hide my colours
Baby turn to black and white
By so many others

There's nothing wrong but some things,
Happening I'm falling
You give me one sunshine,
I say I like the moon
You give me a rainbow,
When I'm feeling black and blue
And I have cold shoulders,
But I'm still on for your touch
Does that make me sentimental too?

I see your smile it's so right

Your too good to lose
I wont run away not this time
So I guess that's true
I must be sentimental too, for you.

You give me one sunshine,

I say I like the moon
You give me a rainbow,
When I'm feeling black and blue
And I have cold shoulders,
But I'm still on for your touch
Does that make me sentimental too?

I guess that makes me sentimental too.
