It's raining it's pouring  
My love life is boring me to tears  
After all these years  
No sunshine no moonlight  
No stardust no sign of romance  
We don't stand a chance  
I always dreamed I'd find the perfect lover  
But he turned out to be like other men I loved  
I loved ...

Raining, pouring  
There is nothing left for us here  
And we won't waste another tear

If you've had enough  
Don't put up with his stuff, don't you do it  
If you've had your fill  
Get the cheque pay your bill you can do it  
Tell him just to get out

Nothing left to talk about  
Pack his raincoat show him out  
Just look him in the eye and simply shout

Enough is enough is enough  
I can't go on I can't go on no more  
Enough is enough is enough  
I want him out I want him out that door now

If you've reached the end  
DON't pretend that it's right when it's over  
If the feeling is gone  
Don't think twice just move on get it over

Tell him to just get out  
Say it clearly spell it out

Enough is enough is enough  
I can't go on I can't go on no more  
Enough is enough is enough  
I want him out I want him out that door now
