It's the Faculty Music (Bringing 88' Back)  
You know I had another Dream,  
I had a Dream not Only was 9th Wonder J-Dilla,  
But that Dream also Told me It was Sha-Leik  
Then I had a Dream That I was with Beyonce Knowles

I see You In the Rain, Me and You In the Rain  
What we do in the rain, can End the rain,  
I'm trying to feel  
Deny If it's Real

Yea Right, You, I'm to high  
My self Esteem only Rivals to your Two thighs  
And It just dies in your two eyes  
A new now when a Dude cries  
You lied It can't be  
My Plan B  
A Height I can't reach, I have to make You Not stand  
me.  
I wont Shower, I'll So be a Coward  
I'll flow even Louder, So You can leave me Sour  
If It doesn't work Murphy's Law was Vetoed  
Hurting all Egos, Swerving Off in a Beatle...  
(Damn) I don't feel good, Wont give up but I still should  
Walk to the DreamGirls set, kill Jamie  
Then go at It with you Raw Until you Slay me  
Tryna Out-do You-all  
This Is all you,  
Our nudity cause A new fall

I see You In the Rain, Me and You In the Rain  
What we do in the rain, can End the rain,  
I'm trying to feel  
(But you don't need to)Deny If it's Real

A black Leather Dress, Straps On your Heels  
My teeth On the Back of your Heels, Foreal  
You giggle as you bite your Bottom Lip  
My Eyes are too serious to not be legit  
I unfasten the Straps on your Heel with my Teeth and  
Taste buds  
We need to make Love

The first raindrops squeezes your Make-up  
Fast Forward Is Stay In touch  
I Unzip your Dress, the Dark clouds confess  
They want top bare witness to this mess  
You Portrait Is now a Levy for this Storm  
Lightning plays as Confetti in this Porn  
I pull It out, You Whisper Yes Charles  
I suck On your Neck until your Breast Call  
And I let It all go On your Left wall,  
We lay Naked On the Wet car...

I see You In the Rain, (That's right) Me and You In the  
Rain  
What we do in the rain, can End the rain,  
I'm trying to feel  
Deny If it's Real

I just don't Get It, you love me.  
Girl I ain't nobody To love  
But I need Somebody to love me  
Are you that Somebody to Love me

I just don't Get It, you love me.  
Girl I ain't nobody To love  
But I need Somebody to love me  
Are you that Somebody to Love me
