Truth is I'm nicer than everyone

So I just decided I'll be nicer to everyone

My mind is the sight of the blind minus the blindness

Don't try to deny it, I am the highest in this climate

My touch midas

Retire when? try again

The Hamilton language doesn't define what retirement

I am grin, so mean mug away

I get resoprosity, the mean fuckin way

I said fuck it, see what I say

Even when cussing I mean what I say

Seeing that it takes a scene from a great screenplay

To make people believe today

Ok, bet turn it up a notch

Learning what to watch when you're in a couple knots

Murder love the cops

Cops love justice, not just fussing

Look at the...

Man everything ain't looking the same

Open up my book to explain how I shook up the game

My aim

Got a whole list full of buddies

Just like me whole fist full of duckets

So while you sit there pissed looking fuck it

I get pink and you get pulled in the bucket

Full but I'm stuffing

No I'm not greedy

I live inside these turkeys, you can't see me

You should not be the dude who tries to delete me

Ride through "beep, beep" you die houdini

Move by the swoop my sweetie

I do not trust, I watch

I trust my sight, Professor X meets Cyclops

Why not, why stop?

I got little to no love on my block

But they who I was, know who I am

Using my buzz trying to carve my notch in this...

Friends saying that I'm insane

But to them, it's a big game

So I spit lame

F in the front, god's gotta high box

So I step in it once
Never been dunced
Or redundant
I'm a rebel
And my criminal record is in conjunction... Charles
Hamilton!
Ya'll n1ggas want something

Never been the type to bullshit baby, never been the type to lie...

Never been the type to bullshit baby, never been the type to lie...

Keep it Lovely

Keep it Lovely

Never crash, never running out of gas...

Keep it Lovely

Never crash, never running out of gas...
