Word of joys i thought i hear you
Nigger this mean I got to hurt you
Once set rolling up a purple of blue
Got a lot of earth for you little nigger
Don't you use a .. real nigger
Is one of my real niggers or at least I .. you
Chanel fucking virtues who you work with Is who I work
with
I remember when I met you you were still in chains
It ain't bordering me anyway.. like I heard rumors
And I heard is my junior going on the rock side
I assume that you knew what it meant apparently didn't
nigger
You were fetching barely were you living and I am the
one who put you in a new position
Just remember nigger I am .. you little mother fucker i
am safe
And hoes can't get nothing for me
Hoes can't get nothing
Just remember nigger I am .. you little mother fucker i
am safe
And hoes can't get nothing for me
Hoes can't get nothing
My uncle signed you
My hoes try to find you
Never niggers is behind you
Why would I mind you congratulations on your sales
This .. back I am waiting for the ..i ain't crazy but I will ..
Sick and calm it rip and .. get off my dick is where oyu
came from
Click clack is the sound of my gun ..if you are my sun
You ain't got to .. matter fact I took picture
Is my world you little mother fucker
I am safe
Just remember nigger I am .. you little mother fucker i
am safe
And hoes can't get nothing for me
Hoes can't get nothing
Just remember nigger I am .. you little mother fucker i
am safe
And hoes can't get nothing for me

Hoes can't get nothing

Every single .. belong s to me .. I am just excited
You sound a hell like me .. and other young nigger
Of corse me got .. force me to be a .. hard gets when a
nigger ..

Nigger you are garbage .. don't floss .. little bitch
Just remember nigger I am .. you little mother fucker i
am safe

And hoes can't get nothing for me

Hoes can't get nothing

Just remember nigger I am .. you little mother fucker i
am safe

And hoes can't get nothing for me

Hoes can't get nothing
