[Intro:]

Alright [x5]

Well obviously, Simone wasn't Amy Rose

Maybe she was Amy Rose

She just couldn't make it in this game

Or maybe if I had a fcking female to lay next to

Shit! Fuck!

Always gotta imagine some fcking female that'll

Love me or wake up fcking alone every fcking morning

Alright [x4]

Get it together [x4]

Alright alright ummm I need a woman

[Verse 1:]

I gotta Maserati mami

Oh my God she's a hottie

Her body is outta this zone

The hottest commodity

And obviously I wanna get her number

Running faster this rapper can get in her bumper to  
bumper

I wonder

Would she dig me if she met me?

I ain't all that pretty but she sexy

If she let me

We could race with no finish line

If she didn't mind

"The passenger side" she replied

I said "please believe I see ya g"

Now you gon see the speed of me

She revved the engines

I tied my kicks

I'm a show that pretty miss that I'm the shit

I'm a quick Maserati

She said "you betta catch up"

I said "I look better in your honor, don't mess up"

I said "baby you know that I'm dope, fess up"

You gotta driver but baby I'm better

Guess what?

[Hook:]

I know you feel me so baby just lemme know

I know you ready, I'm ready so let's go  
This ain't game I will never get old  
Put the pedal to the metal let's go  
You gave me the eye  
So pull over to the side of the road  
I wanna...  
I'm gonna...

[Verse 2:]

I'm doing a buck 80 and I'm just pacing  
I ain't begun racing  
You left in the dust lady?  
Couldn't see the Maserati behind me  
All of a sudden the Lambo's flashing lights blind me  
I say "what's the problem? "  
She says "you match me.  
My paint job and the color of my back seat"  
Not to mention, you know I can go at that speed  
I said "aww that's sweet, now knock it off"  
You know I'm faster than that  
Faster than a magic hat  
Can pack a rabbit in a hat  
I black  
She said "that's wack  
How you faster than sound but you can barely photo  
finish with a hatch back"  
I said "race me then"  
She said "aight"  
Before she pulled off she saw a blur of blue light  
My words are too tight  
So Maserati watch it  
Stop watch it  
Before you can start it I stop

[Hook:]

I know you feel me so baby just lemme know  
I know you ready, I'm ready so let's go  
This ain't game I will never get old  
Put the pedal to the metal let's go  
You gave me the eye  
So pull over to the side of the road  
I wanna...  
I'm gonna...

[Verse 3:]

The Lambo made me lose sight of the Maserati  
So I got hot on my feet  
And preceded to speed  
To the location me in the previous whip  
Decided we would meet up and get acquainted with  
each other real quick

She was pushing the limits of where she could go  
So was I but that's shit that you should know  
She got me sweating  
I got her loosing control  
No cruise control  
You don't know  
Boo you moving super slow  
I taunted her  
On how the fact I really wanted her  
Before she knew it I was right in front of her  
I front on her  
I'm bout to win and then she hit the brakes  
I hit a brink wall with my face  
But I kept going  
Girl don't be funny I'm to fast too have crashed  
I'm disappointed that I had to proof that  
She said "My driver don't respect nothin"  
So she ditch that nigga hit the reject button  
Haha

[Hook:]

I know you feel me so baby just lemme know  
I know you ready, I'm ready so let's go  
This ain't game I will never get old  
Put the pedal to the metal let's go  
You gave me the eye  
So pull over to the side of the road  
I wanna...  
I'm gonna...
