[Verse 1: Charles Hamilton]

It's a beautiful day in my neighborhood
Feeling good man, I never felt greater
Of course, everyday starts off with me praising
The lord, He's my savior
I hardly feel danger
I spark up some haze
Then I'm out my apartment be later
Ran into a classmate, shorty was bangin'
She said she's in college, she's a pharmacy major
You know I play piano, so my charm is C-Major
I said "Baby, you don't know how long I've been waitin'
To make ya, hotter than a Farm in Jamaica"
Ya don't know
So come, go with the one-man fun show
One stroke'll make ya cum slow
Want mo'?
She said "You were so modest in school"
I said "Cause I was just a novice in school"
I'm a boss
I ain't gotta follow them rules
So baby come with me, you can't follow them too

[Chorus: Charles Hamilton]

I'm high off life, fuck it I'm wasted, and
I don't wanna get sober
They say you only have fun when your young, well
I don't wanna get older
Cause this is that type of feeling that
I don't wanna get over
So let me live [x8]

[Verse 2: B/A]

I'm feeling good, life is like a movie
I feel like Denzel Washington in a Spike Lee movie
Never been better, new day, new cheddar
New jeans, Purple Labeled cashmere sweater
I feel fantastic
Everyday the fans askin'
"B/A what's happenin'? You still rappin'? "
I'm still rappin'
I get on tracks, I'm still blackin'

Kill rappers
MGM is the king, tower if ya chill braxton
I'm a certified predator
I'll do all the dirty work, Charles is my editor
Holla'd at this girl, she kept walking
I ran up ahead a her
Told her straight up, baby there is no competitor
MGM my family, Demevolist my representer
Told me if I she ever disrespect, I'm out behead a her
Find somebody else, to kick it with instead a her
I feel good, great, etcetera, etcetera

[Chorus: Charles Hamilton]
I'm high off life, fuck it I'm wasted, and
I don't wanna get sober
They say you only have fun when your young, well
I don't wanna get older
Cause this is that type of feeling that
I don't wanna get over
So let me live [x8]

[Verse 3: Charles Hamilton]
I done been through the games, I deal without poker
I done been through the rain, for real, I'm Al Roker
Life's a bitch, and guarantee that I'll grope her
If she wanna play golf, guarantee I'll out stroke her

[B/A:]
If she wanna play around, I'll call my sister, she'll choke
her
I live my life like I'm rollin' dice or playin' poker
No it is not over
I'm trying to get money like a damn stock broker
Meanwhile I'm not sober

[Charles Hamilton:]
Music is my bitch, she don't want me actin' like
I ain't screwing with the piff, I got a twenty bag of life
When I'm through with all the shit, then I'm gonna be
actin' right
But I'm too legit to quit, so I'm gonna slap my wife
I love ya music

[B/A:]
See my day was good, let's see how it go tonight
Cause in my neighborhood everybody wanna fight
Everybody get a dime, get a dutch, get a light cause
(I don't wanna get sober)

[Chorus: Charles Hamilton]
I'm high off life, fuck it I'm wasted, and

I don't wanna get sober
They say you only have fun when your young, well
I don't wanna get older
Cause this is that type of feeling that
I don't wanna get over
So let me live [x8]

So let me live [x8]
