Since 99 Nigga
February 23rd man
February 23rd 99 dog never forget it
January 23rd I saw the video
Thank you
Soon as I got the offer I knew we would be the best of
friends
The day we met was when I never second guessed
again
But I had to breathe a breath again
I cant call you next to kin
So I signed the deal
I can feel the pressure cause the rest that are in the
industry
Were wishing
For your death again
Tried to warn you bout the things I saw when we got in
the car
But we just had the talk of the millennium
Never tell secrets to anyone
You got mad dough
I ain't have any ones'
So for a weekend maybe even a day
Stay in sleep in the place I would pray just to see your
face
Be a Harlem nigga
I'll be that superstar
I see the future dog
Lets see if you can walk
In my shoes, just to see
What it's like, to be me I'll be you, let's trade shoes
Just to see what it'd be like to
Feel your pain, you feel mine
Go inside each other's mind
Just to see what we find
Look at shit through each other's eyes
But don't let 'em say you ain't beautiful ooohh
They can all get fucked.
Just stay true to you sooooo
I don't mean to bring family in this song
Don't get it wrong but in the morning I can hear a
different song

I know you feeling down
I see the ceiling now
Cause I been getting down since I found rock bottom
Hot topic was my hangout
Stardom, was always the wish by carry this wish list
from Harlem
Or Cleveland

We both from the Midwest
Its insane how we both suffered
In and unless
You'll be a chump-lets
Play the block watch some Harlem chicks get
undressed
Call them slides my nigga
Either way we gonna ride my nigga
You already know man
I might be the biggest fan
You might be the biggest fan
Still wasn't into playing stick at that label so...

In my shoes, just to see
What it's like, to be me I'll be you, let's trade shoes
Just to see what it'd be like to
Feel your pain, you feel mine
Go inside each other's mind
Just to see what we find
Look at shit through each other's eyes
But don't let 'em say you ain't beautiful oh
They can all get fucked.
Just stay true to you sooooo
Don't let 'em say you ain't beautiful
Oooooh they can all get fucked. Just stay true to you
sooo
Nigga I ain't cry when I got dropped man
You know why I ain't cry?
Nigga you was quoting my bars
Watchu mean SO nigga?
You was quoting my bars to my face my nigga
Forgot it?
Forgot I played bass line?
You forgot about I don't care?
My nigga yo...
I swear after that day I ain't ever...
Man listen
Anything is possible man
I dead ass remember
I remember
Thank you
By the way Check?? Nigga you nice
Haha

Charles Hamilton

Another one from the homie!!
