Feat. Gerard Way

And all my hopes and dreams  
Aren't for anyone  
I keep them safe and sound

And all these victories  
Not yours anymore  
But can you hear me now?

The dead stop dreaming  
I'll set ablaze this life  
Your shadow keeps me bright

So try and stop me  
Or suffocate this light  
'Cuz I can burn all night

Until my heart stops beating  
You'll never hear me say  
I'm backing down

If I say,  
It's lost it's meaning  
If I can't find my way  
It's over now

But I won't  
Walk away

Chorus:  
Until the day  
(Whoa, whoa)  
I'm never backing down  
(Whoa, whoa)  
And hear me say  
(Whoa, whoa)  
I'll keep it safe and sound  
(Whoa, whoa)  
I'll keep it safe and

This hopeless feeling

This fear of falling down  
But I'm not crashing now

For all this bleeding  
It wasn't worth the sound  
A million screaming out

And still  
The earth comes reeling  
The curtain calls my name  
I'm not afraid

And I know  
You may not miss me  
But I am not ashamed  
The choice I made

But I can't  
Let this go

Chorus:  
Until the day  
(Whoa, whoa)  
I'm never backing down  
(Whoa, whoa)  
Just hear me say  
(Whoa, whoa)  
I'll keep it safe and sound  
(Whoa, whoa)  
I'll keep it safe and

Bridge:  
Like a crashing car  
Or a dying star  
That's racing to the ground

Like the final words  
Of the passengers  
When the engine's giving out

Will the world  
Watch us burn?

End Chorus:  
Until the day  
(Whoa, whoa)  
I'm never backing down  
(Whoa, whoa)  
Just hear me say  
(Whoa, whoa)  
I'll keep it safe and sound

(Whoa, whoa)  
Keep it safe and sound  
(Whoa, whoa)  
Keep it safe and sound  
(Whoa, whoa)  
Keep it safe and sound  
(Whoa, whoa)  
Keep it safe and sound  
(Whoa, whoa)  
Keep it safe and sound
