Now doit on the dance floor

doit til your feet get sore

doit it if you rich or poor

doit til you cant take no more.

doit til your body sweats

doit til your clothes are wet.

doit no matter how hard it gets

do it cause you aint done it yet.

CHORUS

doit it good and doit right

doit if it takes all night

doit girl with all your might.

if [something] ... (fight)???

lets doit til our bodies blend.

were married so it aint no sin

doit now and do it then.

when were finished yo we'll doit again.

CHORUS

doit in your daddys car

no matter where you are

on the bench in the park

in the light or the dark
ladies doit with your man.
if you dont he'll use his hand
doit cause you know you can.
you can doit with the whole band.
doit til you feel the pain
doit in the sun or rain
doit girl and show no shame
you can doit on the aeroplane
doit with your legs up high
doit or Ill make you cry
doit with your arms out wide
doit now dont be shy.

CHORUS
