I am well without a reason
Underneath they're all the same
I am searching all right - questions
It's no evelyn to blame

BRIDGE:

Isn't there something you should try to explain?
Truth is out there blooming red
Is there something you should try to hide?
Show it all, you won't regret

CHORUS:

I am happy, when
I'm looking for evelyn
I am dancing,
She's burning like a sun
I am laughing
Maybe I'm drifting
With a smile
Burst my head in flames

Fallen down to his guilty hole
With this bastard in your womb
He is out there just to cut you
What else evelyn could do?

BRIDGE:

Does it hurt he opens abscess deep within
To see your sickness all undressed?
Don't you cry his blade is dancing on you skin
Harlot's Birthmarks on your breast

CHORUS:

I am happy, when
I'm looking for evelyn
I am dancing,
She's burning like a sun
I am laughing
Maybe I'm drifting
Now With a smile
Burst my head
In - flames

I am well without a reason
Underneath they're all the same
I am searching all right - questions
It's no evelyn to blame

Fallen down to his guilty hole
With this bastard in your womb
He is out there just to cut you
It's no evelyn to blame
