Baby boy was born in a painful operation
Had to cut me out
Working day by day really hard to make it
Still not getting by

Aiaiaiai, Inside Out
Watta fuck's wrong won't u tell me now
Aiaiaiai, u turnt my inside out
Just wanna feel better won't u tell how

We have no chance
But to take back what you got from the future
We have no chance
But to take back what you got from the future
We gotta say that u gotta pay back
Never know when u get out of re-hab
We gotta say that u gotta pay back
Never know when u get out of re-hab

Lady won a trip in a television
Wish she goes to hell
Big time never came so I learnt to hate it
Every day I say to myself
Aiaiaiai, Inside Out
Watta fuck's wrong won't u tell me now
Aiaiaiai, u turnt my inside out
Just wanna feel better won't u tell how

We have no chance
But to take back what you got from the future
We have no chance
But to take back what you got from the future
We gotta say that u gotta pay back
Never know when u get out of re-hab
We gotta say that u gotta pay back
Never know when u get out of re-hab

Aiaiaiai, Inside Out
Watta fuck's wrong won't u tell me now
Aiaiaiai, u turnt my inside out
Just wanna feel better won't u tell how

We have no chance
But to take back what you got from the future
We have no chance
But to take back what you got from the future
We gotta say that u gotta pay back
Never know when u get out of re-hab
We gotta say that u gotta pay back
