She loves the scum like you and me
She hands the message down the streets
Oh the lord Å– with her in her dÃ¶ner stall
I believe he's speaking thru the mushroom sauce

BRIDGE:

I believe him
I can hear him

CHORUS:

Yeah god is fast
Yeah god is food
Shove him down with recycable spoon now
Yeah god is fucked
He is turning to stone
Getting high like a spiral in a neon dome
(At the Jesus DÃ¶ner)

Happy people gather here to make a real street-wise
donation
All the beat-up kids come along for affordable new
salvation
Oh the joy is slicing all our brains in two
I believe the writings on her board are true

BRIDGE:

I believe him
I can hear him
I believe him
Now I feel I can hear him

CHORUS:

Yeah god is fast
Yeah god is food
Shove him down with recycable spoon now
Yeah god is fucked
He is turning to stone
Getting high like a spiral in a neon dome
(In the Jesus DÃ¶ner)

Wanna trade your life for love In this god-forsaken
jungle?

Don't be afraid to open your mouth for a corpus-christi
combo
I hear it comin' message worth a dime
All the people listen - you won't be denied

BRIDGE:

I believe him
I can hear him

CHORUS:

Yeah god is fast
Yeah god is food
Shove him down with recycable spoon now
Yeah god is fucked
He is turning to stone
Getting high like a spiral in a neon dome
