English translation

I face up as I walk  
So it's like my tears don't fall  
I remember a Spring day  
A night of lonelinessI face up as I walk  
Counting the blurry stars  
I remember a Summer day  
A night of lonelinessHappiness is above the clouds  
Happiness is above the skyI face up as I walk  
So it's like my tears don't fall  
I walk while crying  
A night of loneliness\*Whistling\*I remember an Autumn  
day  
A night of lonelinessSadness is in the shadow of a star  
Sadness is in the shadow of a moonI face up as I walk  
So it's like my tears don't fall  
I walk while crying  
A night of loneliness  
A night of loneliness
