

Kyuss "Black Widow"

Visit "[Black Widow](#)" on MotoLyrics.com

Give me now
Give me now
Give me now
Give me now
Give me now
Give me away.
Give me a fucking reason,
A reason I should stay.
Kill for business or for pleasure,
Any way you choose,
It doesnt matter how or why,
Cuz' either way you lose.
yeah.

Give me now

Give me now
Give me now
Give me now
Give me now
Give me away.
Give me a fucking reason,
A reason I should stay.
Kill for business or for pleasure,
Any way you choose,
It doesnt matter how or why,
Cuz' either way you lose.

yeah.

yeah.
