I've got the demons in me  
I've got to brush them all away  
I feel the demons rage  
I must clean them all away,  
Yeah, yeah [with echo]

Excite to scream them away  
Cobwebs in the way  
That magic cleaner will  
Shine his smile over me  
Yeah, yeah [with echo]

I am the demon  
Cleaner who saves the day  
I get the backwall  
And important they'll always stay  
Yeah, yeah [with echo]

If only one thing that you know  
Imposters from the show  
They'll try to trick you into  
Normal treatment  
Oh don't you listen to them say  
Shush them all away  
I am the demon cleaner  
Madman so,  
I am the freedom cleaner  
Standing naked here to say  
I'm the only way  
I'm the only way  
I'm the only way  
I'm the only way
