I've got a wall inside my head,
It's got to set your soul free
I've got a wheel 'nside my head,
A wheel of understandin'

I'ma loadin', loadin'
My war machine
I'm contributing to the system,
The break down scheme

I'ma shuttin' down, I'm shuttin' down
Your greed for green
I am here to
Gun it down, I gotta do

I see pretty flowers at my feet,
A cool breeze, clean air, hospitality
A pretty please, a pretty please, pretty please,
Get the hell away from me

I'ma loadin', loadin'
My war machine
I'm contributing to the system,
The break down scheme

I'ma shuttin' down, I'm shuttin' down
Your greed for green
I am here to
Gun it down, I gotta do

Eheh, shht

I've got a wall inside my head,
It's got to set your soul free
I've got a wheel 'nside my head,
The wheel of understanding

I'ma loadin', loadin'
My war machine
I'm contributing to the system,
The break down scheme

I'ma shuttin' down, I'm shuttin' down
Your greed for green, baby
I am here to
Gun it down, I gotta do

Ehh! Eh...
