#### I. GARDENIA

One blow till I take you down, I'll take you down  
One smoke and your head spins around and around  
Chrome mags, a million drags, it never lags,  
And old transform queen momma you've never seen  
Hear a purrin motor  
And she's a burnin' fuel  
Push it over baby  
Oh makin' love (un)to you  
Power booster, I'm talkin' to God and more  
Crank it up and above my head  
Smell my shit eatin grin on the skids of my world  
Six hundred sixty six miles per hour  
Hear a purrin motor  
And she's a burnin' fuel  
Push it over baby  
Oh makin' love.....  
Hear a purrin' motor  
And she's a burnin' fuel  
Oh baby burnin'  
Push it over baby  
Oh makin' love (un)to you  
Makin' love (un)to you  
Makin'  
Get back, get back a rolling  
Get back, get back a rolling  
Get back, get back a rolling  
Get back, get back the motherfucker  
Get back, get back a rolling  
Get back, get back the motherfucker  
Get back, get back the motherfucker

#### ASTEROID

[Instrumental]

#### SUPA SCOOPA AND MIGHTY SCOOP

Don't try to take me away,  
Like I can't live without you,  
Today, makin' love tomorrow,  
So way, swooping you're so fragile,  
Die today, you disgrace the mortal.

Fight me lately,  
Tried to someone,  
We've been laughing,  
Since you've been gone,  
And I want to know,  
Did you all enjoy the show?  
It's so sad to see you go  
And you know.  
Hanging low today,  
I replace the highway,  
Love the only way,  
Linking hands the wrong way,  
So I bare to see you go,  
It's so sad to see you go,  
I just thought I'd let you know  
And you know.
