So clean, so blue and it's so deep  
Shallow  
Refreshing bowl and it's so clear  
Shallow  
Best thing I've seen in my whole life  
Shallow  
You must return me to your beach  
Shallow  
So I dive, inches to the ground  
Now allright  
Inches to the ground  
So clean, so blue and it's so deep

Shallow  
Refreshing bowl and it's so clear  
Shallow  
Best thing I've seen in my whole life  
Shallow  
You must return me to your beach  
Shallow  
So I dive, inches to the ground  
Now allright  
Inches to the ground  
So I dive, inches to the ground  
Yeah
