You've been in back of me  
Yeah  
Feeling sensibly  
Yeah  
I'm tired of the words  
When my my back ain't around here  
No more you and me  
Yeah  
No more listening  
Yeah  
Tired of your words, all your words are so backwards  
Whoa  
Whooooaawhaaa  
Whoa  
Whoa  
Whooooaawhaaa  
Being as lost as can be  
Yeah  
Touch of purity  
Yeah  
If you're gonna go now, well I want to go with you  
Ahhaa  
Whooooaawhaaa  
Ahhaa  
Whooooaawhaaa  
Oh Yeah  
Your a fucked up man with a fucked up plan  
Oh Yeah  
Your a fucked up man with a fucked up plan  
Oh Yeah  
Your a fucked up man with a fucked up plan  
  
Oh Yeah  
Oh Yeah  
Did I say too much, you didn't want to hear  
Did I say too much, I didn't want me to see here  
Ohhh  
Did I leave too much, I'm not sure what to leave here  
Did I hate too much, I'm thinkin' someone should bleed  
here.  
Ohhh  
Why the finger? It's all right

Me and you could ...., It's all right  
Straighten me out, It's all right  
Guiding my life, It's all right

There you go, It's all right  
Wait up for me, It's all right  
Helping you out man, It's all right  
Help me man, I just might
