you don't seem to understand the deal,
I don't give two shits on how you feel,
you're burned by my lighter,
you've been burned by my lighter,
yeah my lighter is held down by my thumb

living in thought so
living in thought so
you're living in thought so...

you tried to turn me off

but you couldn't even turn me down
as i said and I told you are living in hell

you're in desert ground
and now you've found
my foreman and you
and you'll since I got in this well...

living in thought so
living in thought so
living in thought so...
