Words by hyde/Music by tetsu

Nakanaide konna yoru nanoni  
(Don't cry in spite of such a [lovely] night)  
Hitorikiri hiza wo kakaete  
(All alone holding your knees)  
Matteite kaketsuketeku kara  
(Because things will hasten while you're waiting)  
Gozen reiji no kane ga naru mae ni  
(Before the midnight bell tolls)

Sono mado wo akete mite goran  
(Open that window and see)  
Machi wa mou kiseki ni afurete  
(The street is already overflowing with miracles)  
Natsukashii uta mo kikoeru yo  
(You can even hear nostalgic songs)  
Ano sutekina orugan ni nosete  
(On that wonderful organ)

Shinjiteru kimochi sae nakusanai you ni  
(Don't lose faith)  
Mou ichido sono hitomi yurasete kuretara  
(If you roll those eyes [for me] once more)

...hora  
(...look)

Kimi ni ikutsumono masshirona tenshi ga maiorite  
(Many pure white angels will fly down to you)  
Warattara totteokino kono yoru wo iwaou  
(If you smile let's celebrate this reserved night)

Takusan no itoshisa wo wakete kureta kara  
(Because [I] gave much love especially [to you])  
Nozomu nara sora datte oyoide miseru yo  
(If you wish I will even swim in the sky [for you])

...hora  
(...look)

Kimi wa dare yori mo taisetsuna hito dakara

(Because you are more important [to me] than anyone else)

Donnani saigetsu ga nagaretemo waratteite hoshii  
(No matter how time passes I want you to remain smiling)

Inotteru boku nanka dou nattemo  
(No matter how this me who's wishing [for you] will become)

Kimi ga itsumademo itsumademo  
Shiawasede arimasu you ni  
(May you always always find happiness)
