Barabara ni chirabaru hanabira shizuku wa kurenai

Yami ni ukabu hana wa semetemono hanamuke
Gravity is on the increase as time goes by
My body returns to the earth
There is sky up in the air
My body is in your sky and your life is in my cosmos
We never come close to each other
But here we exist as it is.....
Tadoritsuita owari umarekawari no itami

Barabara ni chirabaru hanabira shizuku wa kurenai
Kaketa tsuki yo maware towa no koi wo utsushi
Koyoi wa mou yumeutsutsu
Yagate tojita hitomi
Kurui saita yoru ni nemurenu tamashii no senritsu
Yami ni ukabu hana wa semetemono hanamuke
Barabara ni chirabaru hanabira shizuku wa kurenai
Kaketa tsuki yo maware towa no koi wo utsushi
