Atsuku mewa samashite kimito ajiwaiaou  
Dream on till tonight, be sailin' on your life  
Tonight, want your blood  
Fukaku kande ima toraeteiruyo  
Dakiaiaou I'm a lover boy  
Kodokuwa mayakashi nagasareru mamani  
Wonder tonight, be getting your jaded heart  
Tonight, shaking the blood  
Soruo kokyuuyara ima soramade yukuyo  
Kowasuhodoni cause i'm a lover boy  
Yasashiku sasoidashite kimi no okue yukou  
Subete miseyoo I'm a lover boy  
Don't be shy, show your love! show your love!  
Don't be ignorant, show your colors! show your colors!  
Don't let me know your lie, your lie!  
Stay tonight till the night, next night!  
Tonight, shaking!  
Tonight, looking for the blood!  
Fukaku kande ima toraete iruyo  
Dakaiai yoo cause I'm a lover boy  
Afuredashiteku boku wo nokosazu nomihoshite  
Toketeyoo I'm a love boy  
Sorou kokyuukara ima soramade yukuyo  
Kowasuhodoni cause I'm a lover boy  
Yasashiku sasoidashite kimi no okue yukoo  
Subete ageyoo I'm a lover boy  
I'm a lover!
