I want to shine on you  
And always light the dazzling sun  
I will defend you from all the darkness  
This is the truth from my heart

kokoro no oku tsunagetara shinjite moraeru no ni  
shikata nai sa mezameru made boku wa kiete mo ii yo  
ima mienakute mo nakusanaideite  
sono yasashisa wa muda ja nai

kaze ni notte ukabi koko ja nai doko ka e  
umi wo koe toki wo koe kitto saku darou

sabishikute mo miwatashita tokoro de shinjitsu wa nai  
yo  
sore wa sotto kimi no mune no uchigawa de  
hisoka ni kizukiyuku mono

dakara kono omoi wa dare ni mo makenai  
mahou no you iroasenai yuiitsu no kagayaki  
sono kisetsu ga kimi ni otozureru  
tokoro made tsukiau yo saa, daichi wo kerou

kaze ni notte ukabi koko ja nai doko ka e  
umi wo koe toki wo koe kitto saku darou  
itsu no hi ni mo itsu mo sonna kimi wo  
taiyou no you ni zutto mimoretara ii na

I want to shine on you  
And always light the dazzling sun  
I will defend you from all the darkness  
This is the truth from my heart
