[Chorus](samples from The Isley Brothers)

If you ever wanna meet someone
I forever wanna be the only one
In your life Need your body (oh baby)
Need your body (oh darlin')
If you ever wanna meet someone
I forever wanna be the only one
In your life Need your body
Yea yea yeyah.

[Verse one]
Krazzie Bone

Now i dun been around the planet met plenty women,
But i've never met one like you
Ya suit me ooh nobody can do me like you do
We hang out, we get high, you roll my blunts up foe me
I'm feelin' you girl but i know we just homies
But your the kinda girl,
That'l make a nigga wanna be down
The type of girl i need to be around
Not like them other groupie bitches on my dick foe
money
I can see it in your eyes
Yo shit is genuine
And we aint even together (whatever)
But if your lookin' foe a chill nigga hook up wit a real
nigga
Its garanteed that if you fuck wit Kray ya never ever
wanna go away
So if your lookin' foe a nigga that Can hit it
And stay in it
Never quit it
Make you feel it
When i split it
Ima dent it, dent it
Then you'l be happy wit a thug like me
Them chumps dont love like me
Girl they cant fuck like me (like me)

[Chorus] Krazzie Bone

(samples from The Isley Brothers)

If you ever wanna meet someone
I forever wanna be the only one
In your life Need your body (oh baby)
Need your body (oh darlin')
If you ever wanna meet someone
I forever wanna be the only one
In your life Need your body
Yea yea yeyah.
Need your body

[Verse two]
Layzie Bone

Hey Pretty Lady,
I been thinkin' about you constantly
The way you put it on me girl,
You really did dropped a bomb on me
Yous a freak and i'm a freak,
And i'm thinkin thats how its
suppose to be
Its already been writin girl,
(Su)Posed to be here close to me
Come on and pose slow foe me.
You the realest, illest, picture perfect woman that i'd
ever seen befoe
Promise to make it worth it,
You deserve it
My purpose is to satisfy your every need,
Satisfy you mentally
Especially sexually
Nothin' but the best from me
Come on and enjoy the ride
I keep it strong all night long

Ima make you mine
You wanna take your time
And i respect your pimpin'
You working hard, your independant tryna earn a livin
And im tryna beat the system,
But i know you dig a thug
Your cup of love is lookin empty
Let me fill it up,
Is it really 'what?'
I really wanna fuck
And i need your body
I can't get enough

[Chorus] Krayzie Bone
(samples from The Isley Brothers)

If you ever wanna meet someone
I forever wanna be the only one
In your life Need your body (oh baby)
Need your body (oh darlin')
If you ever wanna meet someone
I forever wanna be the only one
In your life Need your body
Yea yea yeyah.
Need your body

[Verse three]
Bizzy Bone

Candlelit dinners, expensive dishes i'm thuggish
ruggish
The definition of ballin' while dippin' in Columbus
Spit game like holy water in my saliva
The taste of your tongue, come let me set your neck on
fire
Smokin chronic and swishes,
I am your X pill
Your body's beautiful
Everybody feel you foe real
Watching movies and fucking close to the sliding door
I want you to cum with the thunder then do it once more
I gotta be real,
You love me coz i'm such a gangsta
I'm willing to take chances
Ghetto kid like Jo-Jo Dancer
Do you really want that ass or what,
You and your man are still beefing
Your thinkin' about me,
And hes thinkin' of kicking it on the weekend
Always be my girl, always be my broad
No matter how much you fuck him,
You'l always be my dawg
So let me hit it from the back one more time
Just for old times
Slap on a Magnum and go for mine (yeah)

[Chorus] Krayzie Bone
(samples from The Isley Brothers)

If you ever wanna meet someone
I forever wanna be the only one
In your life Need your body (oh baby)
Need your body (oh darlin')
If you ever wanna meet someone
I forever wanna be the only one
In your life Need your body

Yea yea yeyah.
Need your body
