She was always something special
Diamond shining bright in the rain everybody dreams
of angels
No one would ever know, how much I love you so

Now it all seems funny, kinda like a dream
Things ain't always what they seem
What a shame, what happened today

You were always on my mind, shine like a summer day
in the sun
Slowly wishes turn to sadness time don't heal a broken
gun
I wish I never let you go even now I just want you to
know

That it all seems funny, kinda like a dream
Things ain't always what they seem
What a shame, what happened today

Now she's breakin' hearts in heaven, shinin' bright in
the sky
I still hear of us in the wind, I still think of you in the
night, oh yeah
Well I guess you'll never know, how much I need her so

Now it all seems funny, kinda like a dream
Things ain't always what they seem
What a shame, what a shame, what happened today

Now it all seems funny, kinda like a dream
Things ain't always what they seem
What a shame, what happened today, what happened
today
