Someday, somewhere
This life's neverending
Never thought you were pretending
Your dreams have died
Your hands are tied
The love you had
Is coming back for the last time

Day or night
Night into day
We've found the answer
But it slips away

Decide
Decide
Yeah

Anyone can see
That this is the end of
All of the love you once abandoned
Your dreams have died
Your hands are tied
The love you had

Is coming back for the last time

Daylight
Starting to fade
Tomorrow's coming
But we want today

Decide
Decide
It's your lovin' for the last ride

Decide
Be free
What you like is what you can't see

Just a little love
Just a little love
