Come on everybody I'm back in town  
Gonna bring you up, gonna shake you down  
Gonna set you up to another place  
Gonna wipe that smile back on your face  
I'm calling all the home girls in L.A.  
I've got some thing good, gonna come your way  
All the fine girls from old Times Square  
I love your style and savour faire  
Don't want your conversation  
Don't want to talk about trust  
I want excitation  
I want your Dirty Luv  
Dirty Luv  
Come on little baby I love your stuff  
I'd die 4 U, Can't get enough  
I'm a back door lover in a limousine  
I'll show you streets you've never seen

I'll do you baby  
Do you good  
On the trunk and on the hood  
Take it faster, take it faster  
Call me slave or call me master  
Don't want conversation  
Or the stars above  
Just gimme some stimulation  
and a slice of your Dirty Luv  
Dirty Luv  
I'm watchin' you  
Dirty Luv  
Oh come on baby  
Come on love  
My sweet baby got the stuff  
Don't want your complications  
Or the stars above  
Just gimme some stimulation  
I want a slice of your Dirty Luv  
Dirty Luv  
I'm watchin' you  
Dirty Luv  
Dirty Luv
