Don't pray to me, I'm not your God  
Or cry for me, I'm not your dog  
Don't worship me, I'm not your God  
Don't pray for me, Don't

Now I see it clearly, only myself left to blame  
People drawing near me, like a moth pulled by the  
flame  
Now I feel like a man who has lost his way  
Nothing is real to me, don't lean on me  
I'm not your cain  
Don't wish me away, I'm not your pain  
Don't bury me, I'm not dead yet  
Don't pray for me, Don't

Now I'm feeling things that I've never ever even felt  
before  
Something's feeding me through a bleeding wound  
Like an open door

Now I see it clearly, only myself left to blame  
People drawing near me, like a moth pulled by the  
flame

Don't pray, Don't pray, Don't pray for me  
Now I see it clearly your the one who is left to blame  
As you draw me to you, I'm the moth and you're the  
flame  
Now I'm feeling things that I've never ever even felt  
before  
Something's feeding me through a bleeding wound  
Like an open door

Don't pray for me
