Well, it's a good thing I kissed you when I did  
I like the sexy way your fingers slid  
And anything done became undid  
Wait a minute, honey, I think we should video

No no no, got to give it to me  
No no no, 'cause I need it, you see

It's a good thing  
Talking about a good thing, yeah  
It's a good thing  
Nothing but a good thing, yeah

It's a good thing you called me when you did  
The pressure building up upon my lid  
And onto your back I watched you slid  
Gotta tell you, honey, I wish they were all like you

No no no, got to give it to me  
No no no, 'cause I need it, you see

It's a good thing  
Talking about a good thing, yeah  
It's a good thing  
Nothing but a good thing, yeah

Well, it's a good thing I kissed you when I did  
I like the sexy way your fingers slid  
And anything done became undid  
Wait a minute, honey, I think we should video

No no no, got to give it to me  
No no no, 'cause I need it, you see

It's a good thing  
Talking about a good thing, yeah  
It's a good thing  
Nothing but a good thing, yeah
