See me coming down the road  
I'm coming down for you  
Standing by the end of the line  
What you gonna do

Intuition can't you see  
Mistreat or got the shake on me  
Fire and water rollin' dice  
I'm gonna get you  
No matter the price

I'm a hard man fight  
I'm an easy man to please  
Baby don't you mess with me  
'Cause you couldn't take the heat

I wanna be your man  
I wanna be your lover baby  
I wanna be your man

No complication let me explain  
I'll take you higher than an airplane  
Look in the mirror, what I see  
I see the devil and he's looking at me

I'm a hard man fight  
I'm an easy man to please  
Baby don't you mess with me  
'Cause you couldn't take the heat

I wanna be your man  
I wanna be your lover baby  
I wanna be your man

Come here, come on

Come on baby take a chance  
I'm a rock 'n' roll [Incomprehensible] on a single base  
Fire and water rollin' dice  
And now I've got you  
Oh it's so nice

I'm a hard man fight  
I'm an easy man to please  
Baby don't you mess with me  
'Cause you couldn't take  
You couldn't take the heat

I wanna be your man  
I wanna be your man  
I wanna be your man  
I wanna be your man

That's right
