Don't give me that look don't show me that tears
I don't believe 'em
I gave you my love, I've had it to here
With all your cheatin'

You never believed, I would find you out
It took some time, I know what you're about

Kiss my love goodbye
I've had it with your lyin'
Kiss my love goodbye
You weren't even tryin'

You never thought about anyone else
You were just takin' care of yourself
You were never mine
So kiss my love goodbye

You're harder than nails and baby I know
What's on your mind
That little girl smile has turned me around
Not this time

I was breakin' my back tryin' to be there for you
You lied so hard, baby, I got news

Kiss my love goodbye
I've had it with your lyin'
Kiss my love goodbye
You weren't even tryin'

You never thought about anyone else
You were just takin' care of yourself
You were never mine
So kiss my love goodbye

Don't tell me that your heart is breakin'
'Cause this time, baby, I ain't takin'

Don't give me that look, don't show me that tears
I don't believe 'em
I gave you my love, I've had it to here

With all your cheatin'

You never believed, I would find you out
It took some time, I know what you're about

Kiss my love goodbye
I've had it with your lyin'
Kiss my love goodbye
You weren't even tryin'

You never thought about anyone else
You were just takin' care of yourself
You were never mine
So kiss my

Kiss my love goodbye
I've had it with your lyin'
Kiss my love goodbye
You weren't even tryin'

You never thought about anyone else
You were just takin' care of yourself
You were never mine
So kiss my love goodbye

Yeah, baby, oh, no, no, no
