When I saw you on the corner
You looked like the cover of a magazine
And I thought to myself
She's about the finest thing I've ever seen

Baby my blood was burning up
I saw your face, wanted your love
Looked in your eyes, it felt so right

My Koo Ka Choo
I am crazy for you
Girl you put a spell on me

My Koo Ka Choo
Everything you do
Going down in history

She was out here for the summer
All alone and I could tell you needed a man
She said her nights were so lonely
And I just told her that I understand

I look at you, You look at me
We can't deny, It's destiny
Always remember the summer with me

My Koo Ka Choo
I am crazy for you
Girl you put a spell on me

My Koo Ka Choo
Everything you do
Going down in history

My Koo Ka Choo
I'll tell what I'll do
Take you just a little bit higher

My Koo Ka Choo
I'm standing next to you
Baby can you feel my fire

She's a mystery
That girl's a fantasy

My Koo Ka Choo
I am crazy for you
Girl you put a spell on me

My Koo Ka Choo
Everything you do
Going down in history

My Koo Ka Choo
I'll tell what I'll do
Take you just a little bit higher

My Koo Ka Choo
I'm standing next to you
Baby can you feel my fire
