{\*girl giggling\*} Stop!  
You want me to do what? What are those?  
You want me to stick those in your what?

{\*Bizarre laughing\*}

[Chorus: Bizarre + Truth Hurts]  
What is on yo' nasty mind (nasty mind, nasty mind)  
Don't you wanna get fucked from behind (from behind,  
from behind)  
Then treat me like a dirty slave (dirty slave, dirty slave)  
And beat me like I won't behave - I just wanna get  
freaky baby!

[Swiftly McVay]  
Huh, I'm too swift on my toes to get caught up wit you  
hoes  
You don't know me, see I ain't gotta front or play the  
role  
I'm an O.G., I know when you bein phony  
See you probably bonin them officers just to pull up on  
me  
That's why sixty percent of women is lonely  
They get in my mix only, then try to creep slowly  
because they nosy  
I ain't listen to what, my momma told me  
I fuck 'em and pass to my homies (right)  
Then he fuck 'em and pass 'em to the homies (take  
her)  
I'm a nasty-ass macaroni; you flashin fast money  
you can pass a Roley FUCK a alimony  
If you want me, and ain't out screamin about your  
monthly  
I'll be stickin yo' pretty ass until you turn ugly (damn!)  
You suddenly see stars when fuckin me  
Ain't no menages, I want 'em in threes, release your  
garments (trick)  
It ain't even me to hold back, I fucked yo' moms quick  
Have her runnin around this bitch screamin, "That's my  
dick!"

[Kuniva]

Yo I know I'm dogmatic, but yo' pussy walls done had it  
(that's right)

It's evident that you've been fuckin like a jackrabbit  
But I stay focused, so I acted like I didn't notice (mm-  
hmm)

And fucked her with no baby lotion and bust in the  
soapdish

Hoe you can quote this - your breath is smellin like  
you done sucked a senior citizen's old dick in goat spit  
(god damn!)

You gon' get choked quick, talkin all that hoe shit  
All aggressive askin for a slow kiss, no bitch! (the fuck  
outta here)

You like freakin, see you every night creepin  
Suckin off the nice deacons, slut you made his wife  
leave him (cunt)

So keep slurpin I'll be down to the fullest  
But forget it bitch, yo' nipples look like AK bullets

[Chorus]

[Kon Artis]

Yo - I'm tearin down whatever you built, your marriage  
is through  
cause I answered your wife's door naked wrapped in a  
quilt

Hoes say, "Kon Artis got a dick so big!"  
Man I can persuade any bitch to have eight of my kids,  
shit

Beeitch, I should be locked up for havin honies legs  
cocked up  
in the back of my pops truck

I'm not fucked up, I just got a fetish for shootin  
Cum in coochie to the pussy is pootin it back out  
I sixty-nined this one bitch and she bled in my mouth  
(shit)

Kicked her out, cleaned the couch out, and beat up my  
crouch(?)

I don't gotta creep in hotels, I cheat at my house  
See I'm a dog, I don't need to keep a secret hideout  
(nahh)

[Bizarre]

All night I've been snortin {\*sniffs\*}  
Your age and where you from - it's just not important  
(nahh)

You look like one of my mistresses  
On welfare, ten kids like the rest of my bitches  
Dreams of fuckin a handicapped bitch  
Suck my dick while your teeth start to grit (whore)

And a slave, that's how I want you to treat me  
I ain't into S&M, but I love when you beat me (ahhh!)  
I told you I was a horny-ass freak  
While I'm beatin my meat, your daughter actin like she  
asleep  
(Yeah right) My love is like thunder and lightning  
After it's over, I'm lookin like I got my ass kicked by  
Tyson

[Chorus]

[Bizarre]  
I just wanna get freaky baby (\*repeat 4X\*)  
Freaky baby, he he  
I wanna get freaky with you  
D-12.. in your area  
And remember, if you lookin for Bizarre  
Dial 1-900-BEAT-ME
