Screaming bloody blue murder
She kicks in the door
Says this is the last time
That you and this whore
Will ever deceive me
I will not be a fool
Don't stick around me
I'm gonna lose my cool
Then proceeds to melt down

She's got psychopathic eyes
So full of hate
Psychopathic eyes
I can't relate
Psychopathic eyes
She just wants to kill me

We go to the rock show
And she's already high
She says don't worry baby
But I think I know this guy
I've heard the excuses
You'd think that I'd know better
But then I say okay and I go and let her
She comes back wasted

She's got psychopathic eyes
Don't get any greener
Psychopathic eyes

Ain't nobody meaner
Psychopathic eyes
She just wants to kill me

Hey, hey what do you say

(solo)

Take heed of my warning
You hedonistic boys
Beware of the psycho
Who loves then destroys

The ass is much leaner on the other side
Don't believe a word
They tell you otherwise

Psychopathic eyes
So full of hate
Psychopathic eyes
I can't relate
Psychopathic eyes
She just wants to kill
