Screaming bloody blue murder  
She kicks in the door  
Says this is the last time  
That you and this whore  
Will ever deceive me  
I will not be a fool  
Don't stick around me  
I'm gonna lose my cool  
Then proceeds to melt down

She's got psychopathic eyes  
So full of hate  
Psychopathic eyes  
I can't relate  
Psychopathic eyes  
She just wants to kill me

We go to the rock show  
And she's already high  
Sha says, don't worry baby  
But I think I know this guy  
I've heard the excuses  
You'd think that I'd know better  
But then I say ok  
And I go and let her  
She comes back wasted

She's got psychopathic eyes  
Don't get any greener  
Psychopathic eyes  
Ain't nobody meaner  
Psychopathic eyes  
She just wants to kill me

Hey hey, what do you say

~ Solo ~

Take heed of my warning  
You hedonistic boys  
Beware of the psycho  
Who loves then destroys

The ass is much leaner  
On the other side  
Don't believe a word  
They tell you otherwise

Psychopathic eyes  
So full of hate  
Psychopathic eyes  
I can't relate  
Psychopathic eyes  
She just wants to kill
