She was always something special
A diamond shining bright in the rain
Everybody dreams of angels
No one will ever know how much I loved you so

Now it all seems funny, kinda like a dream
Things ain't always what they seem
What a shame
What happened to Jayne?

You were always on my mind
Childlike summer days in the sun
Slowly wishes turn to sadness
Time don't heal a broken gun

I wish I'd never let ya go
Hear me now 'cause I wanted to know

That it all seems funny, kinda like a dream
Things ain't always what they seem
What a shame
What happened to Jayne?

Now she's breakin' hearts in Heaven
Shinin' bright in the sky
I still hear her voice in the wind
I still think of you in the night, oh yeah

Well, I guess she'll never know
How much I need her so

Now it all seems funny, kinda like a dream
Things ain't always what they seem
What a shame, what a shame
What happened to Jayne?

Now it all seems funny, kinda like a dream
Things ain't always what they seem
What a shame
What happened to Jayne?
What happened to Jayne?
