She was always something special  
Diamond shining bright in the rain  
Everybody dreams of angels

No-one would ever know  
How much I love you so  
Now it all seems funny, kinda like a dream  
Things ain't always what they seem  
What a shame, what happened today

You were always on my mind  
Shine like summer days in the sun  
Slowly wishes turn to sadness  
Time don't heal a broken gun

I wish I never let you go  
Even now I just want you to know  
That it all seems funny, kinda like a dream  
Things ain't always what they seem  
What a shame, what happened today

Now she's breaking hearts in heaven  
Shining bright in the sky  
I still hear her voice in the wind  
I still think of you in the night, oh yeah

Well I guess you'll never know  
How much I need her so  
Now it all seems funny, kinda like a dream  
Things ain't always what they seem  
What a shame, what a shame what happened today

Now it all seems funny, kinda like a dream  
Things ain't always what they seem  
What a shame, what happened today  
What happened today
