With your long black hair  
Fallin' down your face  
Red lips and lethal pout  
Send me to heaven

Seein' is believin'  
Baby, you're so strange  
Something about you makes me sweat  
Baby, when I call your name

Oh, oh, oh, oh  
Goin' nowhere  
Oh, oh, oh, oh  
Gettin' further out of control

Wild obsession  
The heat of the night  
Wild obsession  
Baby, you know it ain't right

She's got the sun and the moon  
In a velvet glove  
Showers of diamonds  
Fall from high above

She's a vicious queen  
She's a little girl  
I know she's a cornerstone  
Of the underworld

Oh, oh, oh, oh  
Goin' nowhere  
Oh, oh, oh, oh  
Baby, I'm out of control

Wild obsession  
In the heat of the night  
Wild obsession  
We both know it ain't right

Wild obsession  
Runnin' underneath the neon stars

Wild obsession  
Tearin' my heart apart

Oh, oh, oh, oh  
Goin' nowhere  
Oh, oh, oh, oh  
Baby, I'm out of control

Wild obsession  
In the heat of the night  
Wild obsession  
We both know it ain't right

Wild obsession  
Underneath the neon stars  
Wild obsession  
Tearin' my heart apart

Wild obsession  
Wild obsession  
Wild obsession  
Wild obsession  
Wild obsession
