DANCE LIKE:

CHORUS: we gonna dance like we've never danced  
move

Like we've never moved groove like we never grooved  
do

What we never do then stop

Then stop (x2)

JOEY THE JERK: I'm screaming peace in the middle east  
Pray for the solders do your little dance then brush of  
Your shoulder open up feel the sunshine then nod  
smile

For the camera little man good job I don't want a  
Heineken call me a snob I'm cool on the green that will  
Land me in oz so sick with this style I'm still doing  
The rog my flow come together like a temper collage  
Cool like debarge in 82 and ooh you like the way the  
Symph crew come through brand new I'm fresh every  
year

That you play these hits possessing every ear like a  
Hypnotist

CHORUS:

FLYNN: and like fine wine we gettin better everytime we  
Step to a stage, studio or dotted line so now we  
Smilin' at the haters and fakers old labels, managers,  
And rent takers we learned to laugh in the face of  
Adversity some things happen you just can't take  
Personally it's all good we keep our heads up high  
Reppin LAS til the day we die

SHARLOK POEMS: ya'll want murder and mayhem sex  
and

Drugs/Hooligans crips hoe's pimps and thugs/X's and  
Lines across peace and love/Try to give A hug and  
Receive A shove/It ain't what it was they don't dance  
They shoot/It ain't about the heart it's about the  
Loot/playing gansta in the booth talking ice and  
Guns/Sixteen tracks of this all ya'll sound dumb

CHORUS:

COOKBOOK: I'm like Doc Oc wit a new concoction that  
Rocks Shock your cities future people constantly watch  
Like neighborhood wish your neighbors could Sample

Flavors. Wood generated good from the crew who  
came to  
Save your hood on our best behavior later wile out wit  
Our wives take a trip to different cities have the time  
Of our lives as we strive for innovation L.A. started  
All this the symphony blazed all the trails and took  
Risks and you bit but it's cool... I'm about ta just write  
A new hit start a fight wit the whole industry by makin  
Music that makes you move quick. Do it like when tape  
Decks dropped fake heads of labels bit the shake and  
Bake. Let's stop!
