Are we on the lonely side  
Say oh now the past long away  
Are we so lost in the dark of our hearts  
That there's no light of day  
No oh oh oh  
No oh oh oh

1, 2, 3, 4!

Somebody left the gate open  
You know we got lost on the way  
Come save us a runaway train  
Gone insane

How do we how do we how do we not fade  
How do we how do we how do we not fade away  
How do we how do we oooh

Into the wild  
How are we living living living  
Into the wild  
How are we living living living

Wooohooo  
Wooohooohoo  
Heeeyy  
Heeey

Oh please believe me I'm more scared than not  
That oh now this isn't the way  
And please be there I can barely hang on  
But oh I wait til I break  
Yea eh eh eh  
Yea eh eh eh

Somebody left the gate open  
You know we got lost on the way  
Come save us a runaway train  
Gone insane

How do we how do we not fade

How do we how do we how do We not fade away  
How do we how do we oooh

Into the wild  
How are we living living living  
Into the wild  
How are we living living living

Wooohoooh!  
Woohooahoo  
Heeeyyy  
Heeey
